The Woodroffe School PE Department is delighted to be running its Sports Summer School again this year. It will be open to the current Year 5, Year 6 and Year 7 students.

The summer school will run for one week this year.

We will have a maximum limit for the week. Once we reach 36 students, we will not be able to accept any more.

At the Summer School the students will play and learn a whole range of sports which will include athletics, badminton, basketball, hockey, netball, rounders, soccer, tag rugby, tennis, trampolining and ultimate frisbee to name but a few. The activities will take place on the school site either in the Sports Hall or on the fields. They will also be able to use our fitness suite facilities and take part in exercise classes.

The Summer School offers your son or daughter a great chance to learn new sports, develop their skills and make new friends in a safe, fun environment.

The only equipment that your son or daughter needs to bring is a sports kit to include trainers, a coat and a packed lunch. We provide all specialist equipment.

If you would like your son or daughter to take part in the Summer School, then please complete this link <https://forms.office.com/e/TTEqv0Arpa> and complete the payment via
